

Mangoes recepies Website

Intended Purpose: At Mangoes for All, our purpose is to celebrate the natural sweetness and goodness of mangoes by sharing their health benefits and delicious recipes. Through our online platform, we aim to empower our community of mango enthusiasts and health-conscious individuals with nutritional insights, inspire culinary creativity with diverse mango recipes, foster a sense of togetherness and shared passion, promote a healthier lifestyle, and capture the natural beauty of mangoes, all while enriching lives and deepening appreciation for this tropical fruit

Intended Audience: Our website's audience comprises mango enthusiasts who have a genuine love for this tropical fruit, health-conscious individuals seeking nutritious and tasty recipes, culinary enthusiasts interested in experimenting with mango-based dishes, and those passionate about the natural benefits of mangoes for health and well-being.

Major functions:

- An opening page that shows a hero image of mangoes
- A Grid view that provides options depending of the user interest, including recepies, health benefits and products.
- Detail view: Provides a dynamic way to search for mangoes recepies.
